## Information and Instructions for Parents/Guardians

### REQUIRED INFORMATION

The following information is required prior to a child attending a Maryland State Department of Education licensed, registered or approved child care or nursery school:

- **A physical examination by a physician or certified nurse practitioner completed no more than twelve months prior to attending child care.** A Physical Examination form designated by the Maryland State Department of Education and the Department of Health and Mental Hygiene shall be used to meet this requirement (See COMAR 13A.15.03.02, 13A.16.03.02 and 13A.17.03.02).
- **Evidence of immunizations.** A Maryland Immunization Certification form for newly enrolling children may be obtained from the local health department or from school personnel. The immunization certification form (DHMH 896) or a printed or a computer generated immunization record form and the required immunizations must be completed before a child may attend. This form can be found at:

[http://earlychildhood.marylandpublicschools.org/system/files/filedepot/3/maryland\\_immunization\\_certification\\_form\\_dhmh\\_896\\_-\\_february\\_2014.pdf](http://earlychildhood.marylandpublicschools.org/system/files/filedepot/3/maryland_immunization_certification_form_dhmh_896_-_february_2014.pdf)

**Evidence of Blood-Lead Testing for children living in designated at risk areas.** The blood-lead testing certificate (DHMH 4620) (or another written document signed by a Health Care Practitioner) shall be used to meet this requirement. This form can be found at: [http://earlychildhood.marylandpublicschools.org/system/files/filedepot/3/dhmh\\_4620\\_bloodleadtestingcertificate\\_2016.pdf](http://earlychildhood.marylandpublicschools.org/system/files/filedepot/3/dhmh_4620_bloodleadtestingcertificate_2016.pdf)

### EXEMPTIONS

Exemptions from a physical examination, immunizations and Blood-Lead testing are permitted if the family has an objection based on their religious beliefs and practices. The Blood-Lead certificate must be signed by a Health Care Practitioner stating a questionnaire was done.

Children may also be exempted from immunization requirements if a physician, nurse practitioner or health department official certifies that there is a medical reason for the child not to receive a vaccine.

The health information on this form will be available only to those health and child care provider or child care personnel who have a legitimate care responsibility for your child.

### INSTRUCTIONS

Please complete Part I of this Physical Examination form. Part II must be completed by a physician or nurse practitioner, or a copy of your child's physical examination must be attached to this form.

If your child requires medication to be administered during child care hours, you must have the physician complete a Medication Authorization Form (OCC 1216) for each medication. The Medication Authorization Form can be obtained at

<http://earlychildhood.marylandpublicschools.org/system/files/filedepot/3/occ1216-medicationadministrationauthorization.pdf>

If you do not have access to a physician or nurse practitioner or if your child requires an individualized health care plan, contact your local Health Department.

**PARENTS: Please answer every question completely. If something does not apply (for example, you might not have a home number) please write N/A in that block. Thank you.**

## HOW TO USE THIS FORM

The documented tests should be the blood lead tests at 12 months and 24 months of age. Two test dates and results are required if the first test was done prior to 24 months of age. If the first test is done after 24 months of age, one test date with result is required. The child's primary health care provider may record the test dates and results directly on this form and certify them by signing or stamping the signature section. A school health professional or designee may transcribe onto this form and certify test dates from any other record that has the authentication of a medical provider, health department, or school. All forms are kept on file with the child's school health record.
