

MOGS- Race for Education

Parents, Grandparents, Aunts and Uncles are all invited to run or cheer!

Friday, October 11, 2019 (rain date 10/18)

Race- starts at 9:00 AM

Mother of God School's annual Race for Education incorporates physical education and fundraising into one event. Students run, jog or walk non-stop around the school's campus for one hour; most sponsors simply donate a fixed amount but they can pay for each lap completed. Donations are tax-deductible. The proceeds of this event will raise funds to provide scholarships for needy families and offer continued support for technology programs, extracurricular programs, staff development and academic programs.

We ask that every student and staff member strive for at least 10 sponsors. Sponsors may be relatives, friends and neighbors. Christmas card lists or Facebook friends are a great source for names. Out-of-town relatives and friends are great possibilities too through Social Media. Don't forget the people you do business with (barber, dentist, doctor, piano teacher, etc.). They are often generous contributors too. Please remember to ask about company matching funds. **All funds raised by each family will be applied to their fundraising obligation.**

Join us for this very special event to cheer for your children and their classmates. Please consider running with your child or cheering them on. We look forward to seeing you on October 12th.

Special emphasis should be placed on out-of-town relatives and friends, who can sponsor your student via Facebook or social media online through:

Mother of God School Race for Education Sponsor Sheet

On, Friday, October 11, 2019, students and faculty will be participating in the 10th Annual Race for Education. We are hoping to raise \$30k for essential educational needs at our school. I hope you will consider sponsoring me and in doing so, help our school achieve its goal. In addition to supporting our great school, your donation may enable me to win a prize. Prizes will be awarded by grade level to those who complete the most laps around the school campus during a one-hour period, and also to those who collect the most money. Each and every donation is very much appreciated, is tax-deductible and directly benefits each student in Mother of God School.

Thank you and may God bless you for your kindness!

Your donation is tax deductible and in an effort to reduce mailing, we ask that you use your cancelled check as a receipt.
