

**Mother of God School
Summer Work Packet 2021
Incoming Grade Seven**

Literature	<p>Read, <i>A Long Walk for Water</i>, by Linda Sue Park and complete the assignment included here that you will find on Google Classroom.</p> <p>Meet Linda Sue Park and Salva [Watch this video before reading the book.] A Long Walk to Water Meet Linda Sue Park and Salva</p> <p>Use these links to open your digital assignments. A Long Walk to Water - Reading Responses [Each response is 5 points - 60 points possible]</p> <p>Vocabulary- “See” the Words for Yourself (Create ten more slides “showing” ten words you think are important for understanding the story. Include the word and an image illustrating it.) [Each slide is worth four points - 40 points possible.]</p>
Language Arts	<p>Go to IXL and sign in using your email and complete the skills recommended by your Diagnostics report. Reach a Smart Score of 90 points if the skill is at grade level or 80 smart points if the skill is a year or more above grade level. This will vary for each of you. If you have any questions, please email me. Complete 10 skills before the first day of school. (I will be monitoring your progress from June 14-August 31.) [Each skill is worth 10 points - 100 points possible]</p>
Math	<p>Spend 30 minutes per week for at least 6 weeks in the IXL diagnostic or recommended skills, and complete the math packet.</p>
Reading list	<p>If you are looking for additional book suggestions, we will post a list on the school webpage under summer reading. Or, you can ask Mrs. Lombardi. I can suggest a few based on your interests.</p>
