## **Mother of God School**

Mother of God School is located on the campus of the Mother of God Community in Montgomery Village, MD. The school is an independent Catholic Elementary and Middle School affiliated with the Archdiocese of Washington DC. Both full and half day 3 and 4 Year Old (year-round) Pre-K classes are offered along with grades K through 8<sup>th</sup>.

The curriculum stresses academic achievement within a Christian community where the child feels that he/she is loved and respected by his/her peers as well as the teacher. Vatican II texts are used so that our theology is in compliance with the bishops of the world. United with each other in meaningful liturgy and prayer, the students can further come to an understanding of the Christian life. At Mother of God, we are attempting to "teach as Jesus did."

The Archdiocesan curriculum guidelines, consistent with the State of Maryland guidelines, are guidelines for the teaching of all secular subject areas. The curriculum is marked by current content and fresh approaches to methodology. There is emphasis on integrating principles with fact and on learning through problem solving rather than by precept. We strive to offer a program which makes use of many sources of reading material, a wide variety of audio-visual and technology tools and a multi-text approach to the content areas.

## **HISTORY**

Mother of God School is a private Catholic school affiliated with the Archdiocese of Washington. It is a ministry of the Mother of God Community, which is recognized by the Archdiocese of Washington as a private association of the faithful in accord with Canon Law. Founded in 1987, the school formally affiliated with the Catholic Schools of the Archdiocese of Washington in 1996. As an affiliated school, we follow the educational program and policies of the Catholic Schools of the Archdiocese as they apply to elementary and middle schools. The school seeks to serve the educational mission of the Catholic Church by providing a quality Catholic education for students living in the upper Montgomery County area of the Archdiocese.

## **MISSION STATEMENT**

Mother of God School seeks to prepare students who, grounded in sound academics and strong faith, go forth bearing Christ to the world in their personal and professional lives. With Mary as its model, the school accomplished this in an atmosphere of love and respect

- Through academic excellence in the humanities, arts, and sciences, and
- In living the Good News through worship and service

## **PHILOSOPHY**

Mother of God School fully embraces the teachings of the American Catholic Bishops on Catholic Education as set forth in their pastoral messages on Catholic Education. At the heart of our school's philosophy is the belief that Catholic Education "is an expression of the Mission entrusted by Jesus to the Church He founded" (To Teach as Jesus Did). Through the education we provide, we seek to build an academic and spiritual foundation for our students which will enable them, as they mature, to participate in the Mission of the Church to "proclaim the Good News and to translate this proclamation into action." The school, under the patronage of Mary, the Mother of God, strives to empower the students and their families to bear Christ and his life to the world as Mary has done for us.

## **ABSENCE**

The following are valid reasons for excused absences from school (if properly documented by the student's parent or guardian upon the student's return to school):

1. Illness of the student (after three days of illness, student must provide medical documentation that indicates that the student is able to return to school);
2. Death in the student's immediate family;
3. Necessity for a student to attend a judicial proceeding;
4. Lawful suspension or exclusion from school by chief administrative officer;
5. Temporary closing of facilities or suspension of classes due to severe weather, official activities, holidays, malfunctioning equipment, unsafe or unsanitary conditions, or other conditions requiring closing or suspension of classes; and

6. Other absence(s) approved in advance by the principal upon the written request of a parent or guardian. Sufficient notice should be given to the school in order to provide expected student work to be completed while absent. Failure to provide sufficient time may result in an unexcused absence.

Any absence that does not fall into one of the above categories, or is not properly documented by the student's parent/guardian, is an unexcused absence.

**When a student is absent from school, a parent should call or email the office by 9:30 AM each day of the absence.** If the office does not receive a call, a parent will be contacted. This policy is for the protection of the Mother of God School students.

**Students should be free from fever, vomiting and diarrhea for 24 hours before returning to school.** Students who are sent home during the school day with a fever of 100.4 degrees or higher, vomiting or diarrhea will not be allowed to return to school the next day as this would not allow for the 24 hour protection of the entire school community.

The school calendar provides for extended weekends throughout the school year. Parents are encouraged to schedule trips or family outings during these times so as to eliminate the need to interrupt a child's learning process. Missed assignments are the student's responsibility.

Students who are absent due to illness have one day for each day of absence to make up the missed assignments, quizzes or tests. For example, a student who was absent three days would be given three school days to complete the missed work.

When a student is absent for **three or more days due to illness**, a parent may call the school office before 9:30 AM to arrange for homework assignments. Homework assignments may be picked up at the school office between 3:00 PM – 4:00 PM.

For short absences, students should make arrangement with classmates regarding assignments or check the class Google Classroom. Students may also receive missed assignments from their teacher when they return to school.

**Teachers are not required to give make-up tests or assignments for absences due to vacations. Assignments will not be given in anticipation of the vacation.**

Arrangements for regular classroom tests missed because of an absence are to be made with the individual teachers. These tests must be taken within one week of the original test date.

**Excessive absence (40) days or the equivalent of 40 days including tardies**, can be cause for a student to be retained in the current grade for another year. [The State of Maryland requires the school to report excess absences]

### **Absence During the School Day**

Medical appointments during the school day are discouraged. If an appointment must be scheduled during school hours a written note/ email by the parent is required. Parents are required to sign out their child. If the child returns to school during the same school day, he/she must be signed back into school in the office. Students who are away from school for an appointment for 3 ½ hours or more will be counted as absent for ½ a day. **If parents need to pick up children early they should make sure students are picked up by 3:00PM (12:00PM on Half Days) in order to avoid conflict with dismissal and carpool.**

At the end of the two week period, the student's academic progress will be assessed. Students must have a C average to participate in any extracurricular activity. Once disqualified a student will have to improve their grade before being considered to resume this activity. In some cases a student who is disqualified from participating in an extracurricular activity like Sports or Drama Club, may not be allowed to resume midway through the season or production once already disqualified if it negatively impacts others.

## **CAR POOL**

### **CARPOOL PROCEDURES**

At the beginning of the year, an Emergency Information form that includes data about who is allowed to pick up children from school is sent home. Please complete this form and return it to the school ASAP, certainly within one week of its coming home. Any change in this information during the school year must be

sent to the school office. In addition, parents/guardians should notify the school office via a note (or a phone call in case of emergency) of any changes in the regular carpool arrangements.

### **Morning Drop-off –8:20 – 8:35**

- **ENTER school grounds and turn right.**
- **DRIVE** down to, and around the circle.
- **DROP OFF** students at the gym building sidewalk where the Safety patrols will open the car door for your child/ren.  
\*NOTE: Students should be dropped off onto the sidewalk. Do not allow children to open car doors on the left side of the vehicle into dangerous oncoming traffic. A faculty member must be present before children may be released from the car.

**Drop off ends at 8:35 AM** and the staff member on duty places the orange cones in the driveway. **Once the cones are up, parents must park in non-reserved spots and walk their child into the main office and sign them in.**

Use of drop-off is strongly encouraged; however, parents wishing to walk younger children to their classroom door must park in the upper lot by the white building and use the sidewalk next to Goshen House which leads behind the main school building. Parents should plan to arrive no later than 8:30AM in order to ensure they have enough time to escort their children safely to their classroom door before morning carpool ends. Please note: **children may not be dropped off at this sidewalk as there is no staff supervision.**

### **Afternoon Pick-up – Parking Lot opens at 2:45- FIRST CARPOOL**

Please do not arrive prior to 2:45PM. If you do, please park in the upper lot to wait until a staff member has moved the cones. At no time should a parent or guardian move the cones.

- **ENTER** school grounds and turn **RIGHT**.
- **PARK** in one of the spaces closest to the gym building. Back into a space. **Turn off the ignition.**
- **STUDENTS** are escorted from classrooms to the sidewalk where they wait until all cars are parked and ignitions are turned off. The teacher on duty will blow a whistle signaling students to go to cars. **No student should be in the parking lot before the first whistle blows.** A second whistle means all should be in their cars.

- All ignitions are to remain **OFF** until all students are safely in their cars and the staff member in charge of dismissal signals cars to move.

### **SECOND CARPOOL**

- CARS ARRIVING after 3:20PM (12:20 PM on Early Dismissal days) will not be permitted to take a right into the parking lot. They will be directed to turn LEFT and park. Parents will back into a parking place, turn off ignition and remain in the car.
- While the main parking lot is being released, teachers will escort the students behind the building to wait on the balcony until it is safe to be released to the upper lot.
- If you are late for the second pick up from the left parking lot, you will turn right, park and meet your child(ren) in the aftercare program in the gym.
- The students who have not been picked up in the upper lot will be escorted to aftercare. After a brief grace period, charges will apply.

### **Important NOTE**

We ask that **NO** cars park in the St. John Neumann parking lot and walk across the road. Traffic on Goshen Road makes this crossing too dangerous. Please cooperate with the school in our attempts to keep everyone safe.

### **CELL PHONES**

At no time during the day should a cell phone be taken out of a student's backpack or be in his/her possession. Students found using or carrying cell phones during the day will have the phone confiscated. This includes Extended Care hours.

**Items taken away from students will be returned to the parent(s)/guardian(s) only.**

### **CHEATING**

Cheating of any type will not be tolerated. Students who choose to cheat face a failing grade, detention, suspension, and/or expulsion. A student athlete who is involved in cheating will also be unable to participate in sports.

### **CHILD ABUSE LAWS**

Mother of God School abides by the Child Abuse laws of the State of Maryland. This law mandates that all cases of **suspected** abuse and/or neglect be reported to Child Protective Services.

## **CHILD PROTECTION POLICY**

See school website for:

Policy <https://mogschool.com/wp-content/uploads/2019/08/MOGS-Child-Protection-Policy-09-2019.pdf>

Volunteer procedure <https://mogschool.com/tuition/volunteering/>

Mother of God School treasures our students and is invested in their well-being. MOG School adopted the Child Protection Policy of the Archdiocese of Washington (ADW) from its onset. A new MOG School Child protection policy was promulgated effective September 2015. This policy mirrors the ADW policy following the same procedures and even using the same vendors. This policy is available to view or download on the school website under “Child Protection Policy and Volunteering.” This policy relates to anyone who has contact with children in the school; employees, volunteers, contractors and vendors.

The critical distinction is made for persons who have “substantial contact” with children, as defined in the ADW Policy. Those who have “substantial contact” must meet application, criminal background check and educational requirements. Those who do not, but volunteer in the school or are in contact with children, but are not alone with them, must meet a lower but appropriate protocol. Those with substantial contact with children must follow the procedure outlined on the MOG Volunteer Application <https://mogschool.com/wp-content/uploads/2021/05/MOGC-volunteer-app.pdf>

MOG School personnel who work or volunteer in either our Pre-K or our Extended Care Programs are subject to separate State requirements as well: COMAR Regulations. This separate protocol includes Federal and State background checks through fingerprinting. Additional forms and authorizations also apply.

Included in this policy is an age-appropriate educational component for students k-8<sup>th</sup> grade. This curriculum is part of the VIRTUS educational program adopted by the ADW and many other organizations throughout the world.

## **CONDUCT**

In accordance with the stated philosophy of the school, which emphasizes deep respect for the human dignity and uniqueness of every individual, each student will be considerate of the rights of others in all interactions. All students are expected to cooperate with the spirit and policies of the school which are designed to foster mature development and personal responsibility. This requires courtesy in all personal relationships, promptness in fulfilling obligations, concern for the environment, and many other factors which the students' sense of appropriateness will indicate to them. The Principal reserves the right to determine the appropriateness of an action if any doubt arises.

Items such as, but not limited to, white-out, radios, toys, trading cards, cell phones, CDs, iPods or other mp3 players, cameras, or anything that will detract from a learning situation are not allowed at school at any time unless approved by the teacher for use in a particular lesson. **Key chains and toys may not be attached to student backpacks.** Knives, guns, matches, laser lights cigarettes, questionable books and pictures, pagers, and Tasers are **never** allowed in school and possession of such may result in suspension or expulsion.

The school Administration, in accordance with state laws, will determine the appropriate disciplinary measures to be taken concerning the presence of these items in the school. **Items taken away from students will be returned to the parent(s)/guardian(s) only.**

## **CRISIS PLAN**

Mother of God School has implemented a "crisis plan" in case of an emergency. All teachers and staff are aware of the procedure to follow to keep your children safe. In the event of an emergency requiring evacuation, circumstances permitting, students will be moved to a secure designated location:

1. PRIMARY- St. John Neumann Church (across the street)
2. SECONDARY- Goshen Elementary School

## **DISCIPLINE**

### **Demerits**

Classroom teachers maintain their own behavior management systems. In addition, at a teacher or supervisors discretion, demerits may be given to a student at any school activity to provide a consequence for a variety of behaviors including uniform violations. Demerits will be given to and maintained by the students Homeroom teacher. Three demerits will result in a lunchtime detention. Afterschool detention may also be assigned as a further consequence when deemed appropriate.

### **Detention**

Detention may be issued for a breach of classroom and/or school rules. Parents are provided with a Detention Form with written notification of the detention. Detention may result from 3 demerits or an individual situation may merit detention. Initial detentions will be served at lunch/ recess. Detention may also be escalated to after school. The day, date, and time of the afterschool detention are at the discretion of the teacher who monitors the detention. **Detention should take precedence over practices, lessons, tutoring, ballgames, etc.**

### **Suspension**

Students who are given an in-school suspension will be required to report to school each day and complete work given them. Students who receive an out-of-school suspension will not be allowed on campus during the time of their suspension. Students must complete all class work and tests from the days of suspension.

### **Expulsion**

Expulsion is a serious matter. Students who pose a threat to themselves or to others may be expelled from Mother of God School. Students may also be expelled for repeated offences and apparent inability to respond to teacher's discipline. Students who have been expelled will not be allowed to return to the school without prior permission from the Principal.

Students whose parents have violated the Parents as Partners agreement in this handbook may also be excluded from Mother of God School.

### **DRUGS AND ALCOHOL**

Students who possess drugs and/or alcohol at school or at any school function face suspension and/or expulsion.

### **EMERGENCY DRILLS**

State Law requires that emergency drills be held regularly. During evacuation drills, students should follow these procedures:

1. Rise in silence when the alarm sounds;
2. Close windows and doors;
3. Walk to the assigned place briskly, in single file at all times, and in silence;
4. Stand in a column, facing away from the building;
5. Return to building when signal is given.

Tornado/ extreme weather drills are held periodically. The procedures are:

1. Rise in silence when the alarm sounds;
2. Walk briskly to the assigned place in single file;
3. Sit, face wall, and put hands over head;
4. Return to classroom when signal is given.

Other drills include; lockdown, earthquake etc.

### **EXTENDED CARE**

Mother of God School offers an Extended Care Program for all students. Extended Care hours are 6:30 AM to 8:20 AM and 3:30 PM until 6:00 PM. In case of emergency, the Extended Care staff can be reached during Extended Care program hours on 202-430-0360.

Parents who will be using the program on a regular basis will be billed the contract monthly rate by the Business Office. Families that use the program occasionally may just drop their child off in the morning or call the office before

3:00 to ask that their child go to extended care that day. These families will be billed for days used.

Parents are to make arrangements for their child (ren) to arrive at school on time and be picked up at dismissal time, unless arrangements have been made to use aftercare. Students who are not picked up by the time aftercare closes will receive:

1. a phone call reminding you to pick up your students on time
2. a charge of \$1/ minute late after the second time
3. Repeated failure to pick up your child from Extended Care on time may result in your child not being allowed to attend the Extended Care program.

### **FIELD TRIPS**

1. Field trips are designed to correlate with teaching units and to achieve curricular goals.
2. Field trips are re-evaluated each year to determine the trips compatibility with curricular goals.
3. A field trip is a privilege and not a right.
4. There are no “traditional” field trips. Class participation in a particular field trip over consecutive years does not mean that this trip has become a school tradition.
5. All grades do not always have the same number of field trips.
6. Field trips are permissible for all grades when advanced planning, location, and the experience insure a successful learning opportunity.
7. Individual teachers, in consultation with the Administration, reserve the right to restrict or deny student participation on any field trip due to, but not limited to, poor academic performance and/or poor conduct.
8. A written **official permission slip**, signed by the parent, is required before a child will be permitted to attend a field trip activity. Verbal permission **cannot** be accepted. Permission slips are due in the office forty-eight hours after receipt of the permission slip.
9. A **telephone call** will **not** be accepted in lieu of the proper field trip permission slip.
10. Parents may refuse to permit their child from participating in a field trip by stating so on the proper form. Students who do not attend a field trip will remain at home with the parent and will be marked absent for the day.
11. Students who are participating in the field trip must ride the bus (or official auto transportation) to and from the field trip with their class. Students not

on the bus may not participate in the field trip and will be counted absent for the day.

12. All monies collected for the field trip are **non-refundable**.
13. **Cell phones** are **not allowed** on field trips unless otherwise directed by the teacher and/or administration.
14. Parents who are not “official” chaperones may not drive their car to a field trip destination with the plan of accompanying the class on the field trip. Our risk management insurance company insures the “official” chaperones and participation by unofficial chaperones jeopardizes the protection for our students and all other “official” adults on the trip.
15. Parents who chaperone a field trip may not bring pre-school or school-age siblings on the field trip.
16. All chaperones must be 25 years of age or older and have completed the MOG School Child Protection Program (includes background check and Virtus training) if they are alone with children.

## **GIFTS**

Students should not exchange individual gifts at school. This gesture can create hurt feelings among other students. Invitations for slumber parties or birthday parties should be sent to the homes of students unless an invitation is being given to every student in the entire grade. Valentines **will not be** distributed at school unless there is one for every child in the class. Once again this only contributes to hurt feelings.

## **GRADING SCALE**

### **Kindergarten**

### **Honor Roll**

The Honor Roll applies to students in Grades 4-8.

Guidelines and Requirements:

- Principal's Honors: All A's
- First Honors: All A's and One B
- Second Honors: All A's and no more than two B's
- All Grades for Special Subjects must be E or G.
- All Behavior grades must be E or G.

Report cards are designed to ensure that behavior counts. Among all that we are teaching our students, honor and character are among the most important. If students are disrespectful to their teachers or classmates or if they disrupt classroom instruction they cannot be on the Honor Roll. Our hope is, rather than being punitive, this helps students grow to be men and women of strong character who are recognized with this Honor Roll Award.

Penmanship is not included when determining Honor Roll status.

### **GUM**

Students should not chew gum at school at any time that they are at school. This includes before school, during school, and after school. Disciplinary action will occur for students who chew gum during the course of the school day or during carpool.

### **HARASSMENT**

Harassment of any type is not tolerated. The Principal investigates all complaints of harassment. Students involved in harassing behavior face detention, suspension, and/or expulsion.

### **SEXUAL HARRASSMENT**

Sexual Harassment by one employee of another, by an employee of a student, by a student of an employee, or by one student of another, or by a parent of a student, or by a student of a parent is unacceptable conduct. Employees, students or parents who engage in any type of sexual harassment will be subject to appropriate

discipline, including suspension and/or dismissal. Retaliation in any form against an employee or student who exercises his or her right to make a complaint under this policy is strictly prohibited, and will itself be cause for appropriate disciplinary action.

Any employee, parent or student who knowingly makes false charges against an employee or student in an attempt to demean, harass, abuse, or embarrass that individual shall be subject to the sanctions for misconduct set forth above. All incidents need to be reported to the Principal or the School Board.

### **HOME-SCHOOL COMMUNICATION**

In order to insure that all communication from school reaches home in a timely manner, Mother of God School uses email. A weekly email newsletter is sent to each family. It is important that the school be notified if a family's email addresses (as well as mailing address and phone numbers) change. Families without access to email may request a paper copy to be sent home with their child. Important messages, documents and papers are posted on the school website. The monthly calendar is also available on the website. The calendar is updated frequently and should be checked weekly for new information.

### **HOMEWORK**

Formal home-study is assigned to help students become self-reliant and self-directed. Assignments are designed to reinforce daily lessons, to supplement and enrich class work, and to prepare for certain lessons through various experiences.

Since each student has different capabilities and interests, it would be difficult to denote the specific amount of time to be spent on an assignment. If a problem arises, the teacher should be contacted.

Students in grades K-4 will rarely receive homework for the weekend except for Math. Students in grades 5-8 should expect Math and other weekend homework. Teachers will try to avoid having projects due on the first day of the week.

All homework assignments are posted on the class Google Classroom by 4:30 PM the day they are assigned.

### **Homework (schoolwork) due to Vacations/Planned Absences**

The school calendar provides for early dismissals and extended weekends throughout the school year. Parents are encouraged to schedule appointments, trips or family outings during these times so as to eliminate the need to interrupt a child's learning process. Missed assignments are the student's responsibility.

**Teachers are not required to give make-up tests or assignments for absences due to vacations. Assignments will not be given in anticipation of the vacation.**

### **Homework (schoolwork) Policy Due to Illness**

When a student is **absent for three or more days**, a parent may call the school office before 9:30 AM to arrange for class assignments. Assignments may be picked up at the school office between 3:00 PM – 4:00 PM.

For **short absences**, students should make arrangements with classmates regarding assignments or check the class Google Classroom. Students may also receive missed assignments from their teacher when they return to school.

Students will be allowed one day for each day of absence due to illness. For example, a student who was absent three days should be given three school days to complete the missed work.

### **LIBRARY**

The school has a well-equipped library. Students are encouraged to use the library for curricular enrichment and pleasure reading. The following rules are to be observed:

1. Borrowed books are to be returned on time and in good condition.
2. Books damaged or lost must be paid for by the student before any other materials may be checked out. Students who have lost or damaged books do not receive progress reports or quarterly report cards until their account is cleared.

## **LOST AND FOUND**

Any items found in the school building or on the school grounds should be given to the school receptionist to be placed in the Lost and Found basket. **Unclaimed items are donated to charity 3-4 times per year.**

Students who lose a library book, textbook or workbook must pay the replacement cost of the book plus shipping in order to receive a new copy.

## **LUNCH PROGRAM**

Mother of God School offers a Lunch program daily through YAY Lunch. Meals are prepared through the services of an outside vendor. Lunch menus can be accessed through YAY lunch dashboard. Ordering for lunch is done monthly online and payment must be made at the time of the order. Students will eat in the gym unless a special event is scheduled in which case students will eat in their classrooms.

Students may choose to bring their lunch each day. Students should not bring glass bottles, soft drinks, energy drinks or excessive amounts of candy. **Please follow the School's Nut-Free Policy** when packing lunches and snacks.

Students are expected to use the same manners required in the classroom during lunch. Courtesy toward other students and cooperation with lunch monitors are in order at all times.

## **OFFICE RECORDS**

Parents/Guardians are requested to notify the School Office in writing of any change of address, home telephone numbers, cell phone numbers, business phone numbers, e-mail addresses and/or phone numbers of emergency contacts. This will guarantee that office records are accurate, complete, and up-to-date.

## **PARENTS AS PARTNERS AGREEMENT**

As partners in the educational process at Mother of God School, we ask parents:

To set rules, times, and limits so that your child:

- Gets to bed early and at a consistent time on school nights;
- Arrives at school on time and is picked up on time at the end of the day;
- Is dressed according to the school dress code;
- Completes assignments on time; and
- Has hot lunch or nutritional snack lunch every day.

To actively participate in school activities such as Parent-Teacher Conferences;

To see that the student pays for any damage to school books or property due to carelessness or neglect on the part of the student;

To notify the school with a written note when the student has been absent or tardy;

To notify the school office of any changes of address or important phone numbers;

To meet all financial obligations to the school;

To inform the school of any special situation regarding the student's well-being, safety, and health;

To complete and return to school any requested information promptly;

To read school notes and newsletters and to show interest in the student's total education;

To support the religious and educational goals of the school;

To attend Mass and teach the Catholic faith by word and example if Catholic;

To support and cooperate with the discipline policy of the school;

To treat teachers with respect and courtesy in discussing student concerns.

## **Parent's Role in Education**

We, at Mother of God School, consider it a privilege to work with parents in the education of children because we believe parents are the primary educators of their children. Therefore, it is your right and your duty to become the primary role models for the development of your child's life---physically, mentally, spiritually, emotionally, and psychologically. Your choice of Mother of God School exhibits a concern for helping your child to recognize God as the greatest good in his/her life.

Good example is the strongest teacher. Your personal relationship with God and with each other, will affect the way your child relates to God and others. Ideals taught in school are not well rooted in the child unless these are nurtured by the example of good Catholic/Christian morality and by an honest personal relationship with God in your family life.

Once you have chosen to enter into a partnership with us at Mother of God School, we trust you will be loyal to this commitment. During these formative years (Pre-K to 8), your child needs constant support from both parents and faculty in order to develop his/her moral, intellectual, social, cultural, and physical endowment. Neither parents nor teachers can afford to doubt the sincerity of the efforts of their educational partner in the quest of challenging, yet nourishing, the student to reach his/her potential. It is vital that both parents and teachers remember that allowing oneself to be caught between the student and the other partner will never have positive results. To divide authority between school and home or within the home will only teach disrespect of all authority. If there is an incident at school, you as parents must make investigation of the complete story your first step. Evidence of mutual respect between parents and teachers will model good mature behavior and relationships.

Students are naturally eager to grow and learn. However, sometimes in the process of maturation new interests may cause them to lose focus. As this natural process occurs, the student needs both understanding and discipline. At times, your child may perceive discipline as restrictive. However, it is boundaries and limits which provide a young person with both guidance and security.

It is essential that a child take responsibility for grades he/she has earned and be accountable for homework, long-term assignments, major tests, service projects, and all other assignments. This responsibility also extends to times of absence.

Together, let us begin this year with a commitment to partnership as we support one another in helping your child to become the best person he/she is capable of becoming.

## **Home and School Association (HSA)**

Mother of God School Home and School Association work to support and enhance the educational ministry of the school. Fund-raising, parent education, and building community are goals of this organization.

Meetings will be scheduled the 4<sup>th</sup> Wednesday of many month and parents are encouraged to attend.

## **PARTIES**

Students are permitted three class parties a year. Room parents may assist the classroom teacher with these parties. We request that treats be already prepared into individual servings. **Please be mindful of food allergies and our nut-free school policy when purchasing and preparing treats for classroom parties. All treats and food served for classroom parties must have ingredient labels and be brought into the Front Office for review before distribution.** Parties may be funded by parents of school fees.

Student birthdays may only be celebrated “simply” with a single (not-free) treat sent to school for every member of the class.

## **PROMOTION AND RETENTION POLICY**

Advancement to the next grade in Mother of God School is based on a student’s daily performance, test results, recommendations of teachers, and the student’s ability to complete work successfully on a more advanced level.

Promotion to the next grade depends on successful completion of all subject areas. The Administration may recommend the repetition of a grade, tutoring, or summer school classes as requirement for promotion when, after conferences with teachers and parents, it is believed that such action will better prepare the student academically or emotionally for the next grade.

## **REPORT CARDS/PROGRESS REPORTS**

**Report Cards** are important tools for communication. Report Cards will be given four (4) times during the academic school year or every nine (9) weeks.

**Progress Reports** will be given mid-way between each nine-week grading period.

Families will not be given a Report Card if tuition, fees, library fines, or Extended Care Program fees are in arrears.

## **SACRAMENTAL PROGRAM**

The sacramental life of the children of the Catholic tradition is an important component of the religion program at Mother of God School. Preparations for two sacraments, Reconciliation and Eucharist, form the core of instruction in Grade 2. Confirmation preparation occurs in Grade 8. Candidates receive these sacraments in their own parishes and parents should check with their parish to find out what the requirements are.

Parents are required to be active partners in the preparation of their children for these sacraments. The sacraments of Reconciliation, Eucharist, and Confirmation are only conferred to students baptized in the Roman Catholic tradition.

## **SCHOOL HOURS**

**Office hours are from 8 – 4, may close early on half days.**

The school day is 8:20 AM – 3:30 PM. Students not in their homeroom at 8:40 AM are considered tardy. Excessive tardiness will have a direct impact on a student's academic evaluation and promotion to the next grade.

At Mother of God School, we work in partnership with parents to enable each child to develop as an independent learner. Parents of children in K-8 should allow their child (ren) to enter the school building on their own each morning using carpool drop-off. Various classes invite parent involvement or visitation on particular occasions.

The school doors are opened for students at 8:20 AM. Students arriving earlier than that time should be registered with the Extended Care Program.

Prayer and afternoon announcements begin at 3:25 PM each day. Dismissal immediately follows. Please check the school calendar and weekly parent email communication for early dismissal dates.

Students not picked up by the end of carpool (approximately 3:45 PM) will be sent immediately to the Extended Care Program. There will be a \$5 charge. After 15 minutes the full \$15 aftercare fee will be charged.

Mother of God School offers an Extended Care Program for all students Extended Care hours are 6:30 AM to 8:20 AM and 3:30 PM until 6:00 PM. There is no registration fee for Extended Care use. A late fee is charged for students remaining in the program after closing time.

Parents are to make arrangements for their child (ren) to arrive at school on time and be picked up at dismissal time, unless arrangements have been made to use aftercare. Students who are not picked up by the time aftercare closes will receive:

1. A phone call reminding you to pick up your students on time.
2. Repeated failure to pick up your child from Extended Care on time will result in your child not being allowed to attend the Extended Care program.

### **SCHOOL PROPERTY**

The parent of a child who carelessly destroys or damages any furniture, equipment, buildings, or anyone's personal property will be obligated to pay the full amount of repairs and labor or replacement. Textbooks used by the student must have a proper book cover. No writing in textbooks is permitted. The student will pay a fine or replacement for damaged or lost texts before any final reports, transcripts, or diplomas are presented.

### **SERVICE PROJECTS**

Mother of God School seeks to provide students with the opportunity to make a difference through various service and support programs. We support the St. John Neumann Food Pantry through monthly collections of needed food items. "Pennies for the Poor" helps the mission of the Little Sisters of the Poor as they care for the needy elderly. Other service opportunities are provided throughout the year.

## **SEXTING**

Students involved in possession or transmission of inappropriate photos or content on their cell phones or other electronic devices face suspension and/or expulsion.

## **STUDENT DIRECTORY**

A Student Directory listing students' and parents' names, addresses, home telephone numbers, and e-mail addresses is available through the parent log-in on the school website.

The Student Directory should be used to acquaint parents with the names of their children(s)' classmates and parents. These directories should not be **used** or **sold** for other purposes.

## **STUDENT HEALTH**

The well-being of our students is of prime concern. At the beginning of each school year, or when a child joins Mother of God School, parents are asked to submit their child's medical record and a completed dental card. From this information the school keeps a register of health issues (such as allergies and asthma) which is available for all school staff to assist in the care of the students. All health information is kept in the strictest confidence.

### **Illness**

Students should remain home if they have a contagious illness and seek medical care, as appropriate. To prevent the spread of illness, students should be free of fever, vomiting and/or diarrhea for at least 24 hours before returning to school.

### **Medications**

While most medications will be given at home, there are circumstances in which medications should be kept on-site for administration as needed at school (e.g., epi pens, inhalers). Any medication that will be administered at school must be brought to the Health Room by the parent along with an appropriate doctor's authorization forms which can be found on the school's website. All prescription medication must be provided in a container with the pharmacist's label attached. Over-the-counter medications must be in an unopen container with the

manufacturer's original label. The school does not supply or provide medications for student use. Please note: cough drops are considered to be medication and must follow the aforementioned procedures in order to be kept in the Health Room for the student's use.

### **Food Allergies and Nut-Free School Policy**

Mother of God School recognizes that life threatening food allergies are an important condition affecting many school children and positively welcomes all pupils with food allergies. In order to minimize the incidence of life threatening allergic reactions, Mother of God School maintains a nut-free school policy. Foods sent in for lunch, snack, or any class event should be carefully checked to make sure they are peanut and tree nut free. **When purchasing any birthday treats or treats which are intended to be shared with the class, please read the ingredient label carefully.** Common allergens are typically summarized at the end of ingredient labels (e.g., Contains Wheat, Soy, Milk and Eggs). **Please do not purchase anything to bring into school that indicates that it contains nuts or may contain nuts.** Be sure to leave the ingredient label on the product because we also have other students with other food allergies and we may need to examine the label to ensure those children can safely consume the treat. If you are baking items yourself, please be sure to bring in the ingredient list(s). Parents' understanding and support in reading the label on every package and complying with the nut restrictions is greatly appreciated as we strive to provide a safe environment for all students.

### **STUDENT RECORDS**

Mother of God School adheres to the Buckley Amendment (Family Education Rights and Privacy) regarding access to student records. Records of students transferring to other schools will only be sent through the US Mail. No records will be given to parents to transport to the new school.

Students requesting records/transcripts/recommendations must make a five school-day request to the School Office. All forms should be submitted to the School Office for distribution. Completed forms will be sent via the U.S. Mail. Special handling will require that all postal fees be paid by the parents.

**No records will be sent to transferring schools of students whose financial commitment is in arrears.**

## **TECHNOLOGY AND INTERNET USAGE**

Students shall use all Technology Equipment, including, but not limited to computers, networking systems, Internet, mobile devices, communication devices, cell phones, email, social networking sites, calculators, DVD players, and cameras (“Technology Equipment”) with care and respect, whether at school, at home, or elsewhere. Students shall not type, send or otherwise use any inappropriate or offensive words, or display, send, or otherwise use inappropriate or offensive images, sounds or messages from or on Technology Equipment. Students shall not use Technology Equipment in a manner which violates any local, state or federal laws. Students shall immediately report to a teacher or supervising staff member any inappropriate material or misuse of Technology Equipment of which the student becomes aware. Students shall not use Technology Equipment in any way to engage in cyber-bullying behavior. Any student use of cell phones and mobile devices during school hours, carpool, and extended care is prohibited, with the exception of medical emergencies.

When using the School’s Technology Equipment, all students: shall not reconfigure any school hardware, software, or network settings; shall print, download, or otherwise transfer only that information approved by the teacher or supervisor; shall obtain the permission of a teacher or supervisor before loading a file or disk onto a school computer; shall not use any school Technology Equipment to create, store, transfer or use software or electronic content in a manner which violates the rights of the holder of copyright in the software or the content; shall not plagiarize works on the Internet; shall not load any software onto school computers without first obtaining the teacher’s permission; shall only use the Internet for school-related projects and shall visit only the sites assigned by the teacher; shall not surf the Internet or visit Facebook, or any other social networking websites while at school; shall not log-on to the Internet without permission from a teacher or supervising staff member; shall not give out, post, or otherwise distribute personal information such as photographs, home addresses, telephone numbers, parents’ work addresses or telephone numbers or the name and location of the school.

## **TELEPHONE**

Permission to use the telephone must be obtained from the school receptionist. Students must submit a note from their teacher. The office phone is a business phone and students are permitted to use it only in case of an emergency. Forgotten homework, athletic equipment, lunch, etc. do not constitute

emergencies. Arrangements for after-school visits with friends should be made at home.

## **TESTING**

The Scantron Test is given in Grades K through 8 three times per year; a pre-test in September, a benchmark assessment to determine progress mid-year and a final assessment at the end of the year. The High School placement Test is given to students in Grade 8.

Middle School students (Grades 6 – 8) may be given a **maximum of three quizzes or tests per day.**

Middle school students may be involved in a Math Final Exam to assess the cumulative knowledge taught during the academic year. The Math Final Exam will help students be more fully prepared for the assessment challenges and expectations of high school.

## **TITLE IX**

Mother of God School adheres to the tenets of Title IX: “No person in the United States shall, on the basis of sex, be excluded from participating in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving federal financial assistance.”

## **TRANSFER OF STUDENTS**

Notice of withdrawal of a student should be made by the parent in writing to the Principal in advance of the withdrawal date. This enables the school to prepare necessary information and settle accounts. **No student records will be forwarded to another school until Business Office accounts have been settled.** (See previous section on Student Records for transcript information.)

Parents who volunteer to serve lunch or who volunteer in another capacity in the school **may not drop in to a classroom to see their child** during the day. This is an interruption to the teacher and to the educational process.

## **WEATHER**

Mother of God School follows the emergency weather closing and delay announcements of Montgomery County Public Schools (MCPS). However, if Mother of God School has a half day and a two hour delay is announced for MCPS, school will be cancelled. Register for Alert MCPS for text messages <https://www.montgomeryschoolsmd.org/emergency/alertmcps.aspx>

If there is a delay, any before school activities (e.g., band or club) are cancelled, and morning day care will open on a delayed basis (e.g., for a two hour delay, morning care will open two hours late).

If school closes early due to inclement weather conditions, after care will contact parents to come as soon as possible so that our staff can have extra time to get home safely.

Additionally, while infrequent, if MCPS has a scheduled day off (e.g., teacher professional day) which differs from the MOGS schedule, then MOGS will follow weather announcements made by the Archdiocese of Washington.

Please check online, listen to the radio or television announcements and act on the announcements accordingly. If an emergency arises at the Mother of God School, we will post information on our website ([www.mogschool.com](http://www.mogschool.com)) and alert through our text notification system.
