

Morning Drop Off

Our morning drop-off routines are carefully crafted to ensure all our students' safety and to be as efficient as possible while using a property with only one entrance. Please be careful to follow all the drop-off and pick-up rules. If you are unsure about something, just ask.

We begin opening cars and letting kids get out beginning at 8:15 a.m. Students arriving after 8:35 are considered late.

Follow the red arrows. (Pull into the driveway and turn right)

Drive around and follow the directions of the student patrols by pulling all the way up (blue circles)

If you need to walk your child in, please pull to the left, park in the yellow Xs, and walk down the sidewalk to the back of the school building. This option is ONLY for parents who need to walk their child all the way to their classroom door.

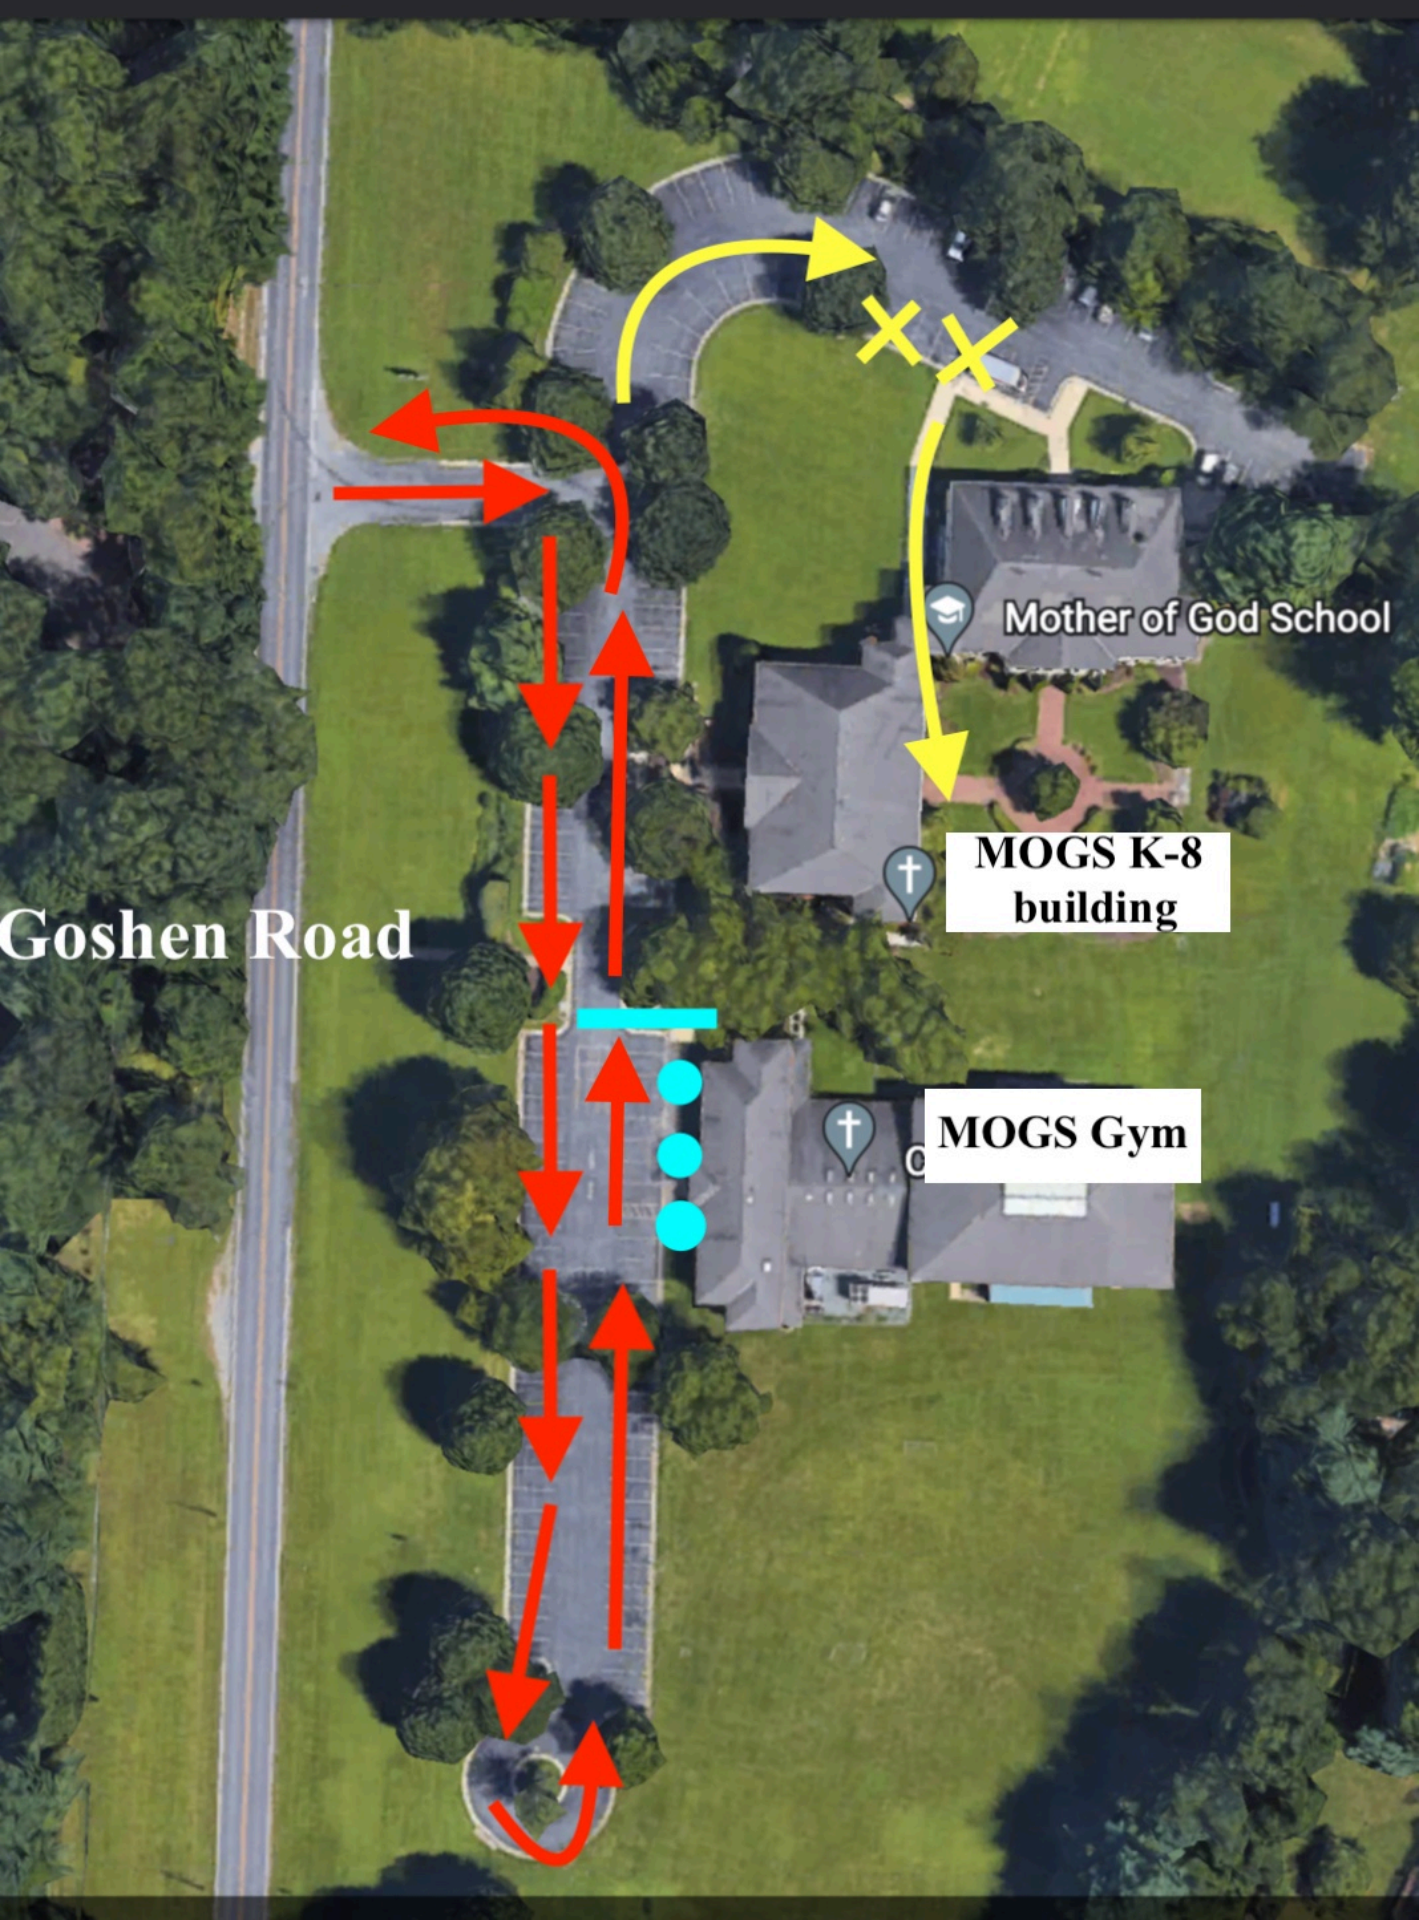

Drop-off at this location is not allowed.

The Basics:

- We will close the 1st carpool lot when it fills or before the patrols are dismissed (3:23-3:25 p.m.)
- If you have purchased an assigned spot, you may pull in until 3:23-3:25, when patrols are released.
- If you miss 1st carpool or prefer 2nd carpool, please pull into the 2nd carpool lot to the left (see above-purple).
- If 2nd carpool is full, a line for 3rd carpool will be created (see above- blue)
- Your engine must be turned off when kids are moving
- You must be parked backward, or you will be asked to wait until the end of the line (3rd carpool pay park forward)

First carpool:

- Please wait for your child to come to your car or retrieve them from the flagpole (green).
- Please immediately go to the car so we can begin dismissing cars.

Second Carpool:

- Please stay in your car or stand by the beginning of the second carpool line.
- We will bring the students to the 2nd carpool waiting spot (see above green smilie)
- If you must walk over to the first carpool, you need to walk behind the school building in both directions
- Never pass in the front of the building (see above STOP)

Rules for EVERYONE:

- Cars **NEVER** move when students are present.
- Never start to move your car to leave unless a MOGS employee is waving you to do so
- Be Kind! Our faculty and staff love your children so much- they are trying to keep everyone safe. If you have questions or concerns, please get in touch with me, Mrs. Sloan.
